

Approved Envelope Manufacturers, Printers and Mailing Houses

6 May 2025

The companies listed as follows, have undertaken Royal Mail's Quality Assurance Process for producing machine able envelopes for our sorted products, successfully passing the design requirements for our Account, Advanced and Mailmark mail pieces.

This means that while these companies can produce machine able mail pieces to Royal Mails' required standards, it is still the responsibility of the end customer to meet the necessary product specifications.

Please note that not all companies have chosen to be listed so if you would like to confirm whether or not your company of choice has been approved please contact quality.assurance.coordinator@royalmail.com.
