Royal Mail Specific Terms for Marketing Products

Unless defined otherwise, all terms capitalised in these Specific Terms shall have the meaning given to them in Appendix A of the General Terms.

1 Your duties

- 1.1 We understand that it is not always practical to complete a Posting in one Day. So, if we agree, you can spread a Posting over a number of Days in line with the Marketing Product User Guides.
- 1.2 You must present each Posting separately, sorted into selections in line with the Marketing Product User Guides.
- 1.3 Where required by the Marketing Product User Guides, you must not make an OCR Posting until we give you accreditation in line with the quality assurance processes described in the Marketing Product User Guides.
- 1.4 You must not take our checks in relation to any Posting you make, or any of our findings or recommendations as a result of making those checks, to mean that we are giving up our right to take action because you have failed to carry out your duties under the Agreement.
- 1.5 Postings with Mailmark Items, Account Items, Advanced Mail Items, or OCR Items must be made up of either:
 - 1.5.1 all Mailmark Items, all Account Items, all Advanced Mail Items, all or all OCR Items; or
 - 1.5.2 no Mailmark Items, no Account Items, no Advanced Mail Items, and no OCR Items. A Posting cannot be made up of a mix of Mailmark Items, Account Items, Advanced Mail Items and OCR Items.
- 1.6 You must place orders for the Marketing Products via your OBA, or for customers who are on Autobilling sending Mailmark postings, via your eManifest.
- 1.7 No Posting of Marketing Products may consist of a combination of Items for which Postage is payable or paid by more than one method of payment.
- 1.8 Under no circumstances are you permitted to include any Restricted Materials in your Posting.

2 Deferred delivery Posting

- 2.1 If we agree that we will delay the delivery of your Posting (**Deferred Delivery Posting**), you must agree a delivery start date with us beforehand. You must make the Deferred Delivery Posting available for Handover at the Handover Point agreed with us at least seven (7) Days, and no more than twenty-eight (28) Days, before the delivery start date. We will aim to deliver each Deferred Delivery Posting within five (5) Working Days of the delivery start date.
- 2.2 If we deliver a large part of a Deferred Delivery Posting early without your approval, we will credit your account with an amount equal to a percentage (no more than 25%) of the Postage (less any applicable discount) due on that Posting. We will not have any other responsibilities or liability for that early delivery.
- 2.3 Deferred delivery is an option which you can select for some Marketing Products as detailed in the Marketing Product User Guides.

3 Mailing Standards Levy

- 3.1 The Mailing Standards Levy will be collected on every Item of Advertising Mail via Royal Mail's invoicing process. The Mailing Standards Levy is not liable to VAT.
- 3.2 As the Mailing Standards Levy is voluntary, if you want to be refunded the levy you have paid, you can make a quarterly or annual claim to ASBOF at the address below providing

evidence of the Mailing Standards Levy paid (your invoices from us will show this information): The Treasurer, ASBOF, 7th Floor North, Artillery House, 11-19 Artillery Row London SW1P 1RT.

- 4.2 Advertising Mail customers are subject to audit requirements as set out in the Marketing Product User Guides.
- 4.3 We will operate a content control process where sample Items are sent for checking against the requirements above and in the Marketing Product User Guides. If we find that your Advertising Mail Posting does not meet the requirements of this Agreement including the Marketing Product User Guides, we may switch you to a different Product and invoice you the appropriate Charges (and we reserve the right to invoice retrospectively in this event).
- 4.4 You accept that part of the Postage for Advertising Mail with unsorted Account Mail and machine-readable unsorted Advanced Mail options (as described in the Marketing Product User Guides) is based on the volume of Items worked out by our sorting machines. You also accept that this calculation is an accurate and final record of the volume of your Items.

5 Line listing data

- 5.1 You must provide us with the line listing data in an electronic format in line with the Marketing Product User Guides. You must not include the names of your customers or possible future customers or any other personal data (as defined under the Data Protection Legislation) in the address data.

- 5.2 We may randomly check a Posting, or any part of it, to make sure it is consistent with the booking, the details on the Confirmed Sales Order (which is created when an order is confirmed on the OBA), the Postage due and whether you have met your duties under the Agreement.
- 5.3 You or your agent must work with us to sort out any questions about or any problems with Confirmed Sales Orders or other documents relating to the Posting, no matter whether you or your agent made the Posting.
- 5.4 If a booking or Posting is cancelled, you or your agent must arrange to collect the Posting if it has already been given to us. If you or your agent do not collect the Posting within 48 hours of cancelling it, we can return the Posting to you or your agent or get rid of it.
